

TM ROSES

MALVASIA DI CASORZO D.O.C. SPARKLING

Sweet sparkling rosé.

TM ROSES is a sparkling red Malvasia, vinified in rosé, with fermentation in closed tank - Charmat method. Fresh, fragrant and delicate. The distinctively intense fragrance of roses of this variety of grape is exalted by the elegant perlage and the notes of red fruit's marmelate.

Serve at 8°-10°C.

Appellation

Malvasia di Casorzo D.O.C. Spumante

Production Area

Wine produced with grapes from the territories defined by the production specification of the DOC appellation. Grape variety 100% Malvasia.

Quantity produced

N° 800

Soil / Vineyard

Calcareous clay with silty marls and alkaline pH with considerable water retention.

The age of the vines is 25 years, facing south, southwest.

Vinification / Ageing

Crushing-destemming and cold maceration for just one day. Soft pressing. Charmat method.

Colours / Highlights

Pink with delicate ruby highlights.

Fragrance

The distinctively intense fragrance of roses of this variety of grape is exalted by the elegant perlage and the notes of red fruit's marmelate.

Palate

Sweet, fresh and delicate, quite lively, with delicate sensations of red fruits and fresh flowers.

TM ROSES

MALVASIA DI CASORZO D.O.C. SPARKLING

Malvasia di Casorzo, in one of the most ancient indigenous varieties and typical,

with delicate but intense bouquets and aromas that we enhance vinifying this precious grape in 3 versions: pétillant, sparkling and passito.

TM Roses is enormously appreciated by the leading guides, which have honoured our Malvasia with crowns and medals, bunches of grapes and stars
